**NOTICE OF PRIVATE COMPETITIVE BOND SALE**

---

Proposals will be received and considered by the undersigned President of the Board of Education of the Jamesville-DeWitt Central School District, Onondaga County, New York (the "Issuer"), via Fiscal Advisors Auction electronic bids submission website ("Fiscal Advisors Auction") accessible at [www.FiscalAdvisorsAuction.com](http://www.FiscalAdvisorsAuction.com) or by facsimile transmission at (315) 930-2354, until 11:00 A.M., Prevailing Time, on the 21<sup>st</sup> day of September, 2023, at which time and place bids will be opened, for the purchase IN FEDERAL FUNDS at not less than par and accrued interest of \$663,532 School District (Serial) Bonds, 2023 (the "Bonds") of the Issuer, dated October 5, 2023, and maturing in annual principal installments, together with interest thereon, as follows: \$113,532 on October 1, 2024, \$130,000 on October 1, 2025, \$135,000 on October 1, 2026, \$140,000 on October 1, 2027 and \$145,000 on October 1, 2028. The aggregate par amount of the Bonds may be decreased in an amount not in excess of the premium offered by the successful bidder, and the amount of each annual maturity, as set forth herein, may be adjusted to the extent necessary, in order that the total proceeds, which include the total par amount of the Bonds plus the original issue premium, if any, received do not exceed the maximum amount permitted under applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"). The Bonds of each maturity, as adjusted, will bear interest at the same rate and must have the same initial reoffering yields as specified for that maturity by the successful bidder for the Bonds. It is the intent of this provision to hold constant, on a per Bond basis, the successful bidder's underwriting spread. However, award will be made to the bidder whose bid produces the lowest net interest cost, calculated as specified herein, solely on the basis of the Bonds offered, without taking into account any adjustment in the amount of Bonds pursuant to this paragraph. Such adjustments will be made within twenty-four (24) hours following the opening of the bids. The successful bidder may neither withdraw nor modify its bid as a result of any such post-bid adjustment. Any such adjustment shall be conclusive, and shall be binding upon the successful bidder.

Interest on the Bonds will be payable on October 1, 2024 and semi-annually thereafter on April 1 and October 1 in each year until maturity. Interest on the Bonds will be calculated on a 30-day month and a 360-day year basis, and, will be payable at maturity. The "Record Date" of the Bonds will be the fifteenth day of the calendar month preceding each such interest payment date.

The Bonds will not be designated "qualified tax-exempt obligations" pursuant to the Code.

Proposals may be submitted electronically via Fiscal Advisors Auction electronic bid submission website or via facsimile transmission at (315) 930-2354, in accordance with this Notice of Private Competitive Bond Sale, until the time specified herein. No other form of electronic bidding services nor telephone proposals will be accepted. No proposal will be accepted after the time for receiving proposals specified above. Bidders submitting proposals via facsimile must use the "Proposal for Bonds" form attached hereto. Once the proposals are communicated electronically via Fiscal Advisors Auction or via facsimile, each bid will constitute an irrevocable offer to purchase the Bonds pursuant to the terms therein provided.

Electronic bidding will take place in a Closed Auction format. Bidders may change and submit bids as many times as they wish during the bidding period, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final electronic and facsimile bids, as more fully described herein, to determine the winning bid. During the auction, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid). Each bid must be for not less than the par value of the Bonds. Conditional bids will be rejected, including any bid subject to credit approval. All bidders shall be offered an equal opportunity to bid to purchase the Bonds. Furthermore, no bidder shall have the opportunity to review other bids before providing a bid, nor be given an opportunity to review other bids that was not equally given to all other bidders (this is, no exclusive "last look"). By submitting a bid, the underwriter attests that they have an established industry reputation for underwriting new issuances of municipal bonds.

Prospective bidders wishing to submit an electronic bid must be registered with Fiscal Advisors Auction. To bid electronically, bidders must first visit the Fiscal Advisors Auction website at [www.FiscalAdvisorsAuction.com](http://www.FiscalAdvisorsAuction.com) where, if they have never registered with either Fiscal Advisors Auction or any municipal debt auction website powered by Grant Street Group, they can register and then request admission to the Issuer's auction. Only FINRA registered broker dealers, dealer banks with DTC clearing arrangements and banks or trust companies located and authorized to do business in the State of New York will be eligible to bid. The Issuer will determine whether any request for admission is granted. Bidders who have previously registered with Fiscal Advisors Auction may call auction support at (412) 391-5555 x1370, to confirm their ID or password. The use of Fiscal Advisors Auction shall be at the bidder's risk, and the Issuer shall have no liability with respect thereto. By submitting an electronic bid for the Bonds, a bidder represents and warrants to the Issuer that such bidder's bid for the purchase of the Bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Bonds.

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Fiscal Advisors Auction. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Fiscal Advisors Auction for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Private Competitive Bond Sale. Neither the

Issuer nor its municipal advisor, Fiscal Advisors & Marketing, Inc. (the “Municipal Advisor”) shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the Issuer nor the Municipal Advisor shall be responsible for a bidder’s failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Fiscal Advisors Auction. The Issuer is using Fiscal Advisors Auction as a communications mechanism, and not as the Issuer’s agent, to conduct the electronic bidding and facsimile bidding for the Issuer’s Bonds. The Issuer is not bound by any advice or determination of the Municipal Advisor or Grant Street Group as to whether any bid complies with the terms of this Notice of Private Competitive Bond Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Fiscal Advisors Auction are the sole responsibility of the bidders, and the Issuer is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Bonds, it should telephone and notify the Municipal Advisor at (315) 752-0051 (provided that the Issuer shall have no obligation to take any action whatsoever upon receipt of such notice).

The “Rules of Fiscal Advisors Auction” can be viewed on the Fiscal Advisors Auction website and are incorporated by reference in this official Notice of Private Competitive Bond Sale. Bidders must comply with the Rules of Fiscal Advisors Auction in addition to the requirements of this official Notice of Private Competitive Bond Sale. In the event the Rules of Fiscal Advisors Auction conflict with this official Notice of Private Competitive Bond Sale, this official Notice of Private Competitive Bond Sale shall prevail.

If any provisions of this Notice of Private Competitive Bond Sale shall conflict with information provided by Fiscal Advisors Auction, as approved provider of electronic bidding services, the provisions of this Notice of Private Competitive Bond Sale shall control. Further information about Fiscal Advisors Auction, including any fee charged, may be obtained from an agent for Grant Street Group at (412) 391-5555 x1370. The time maintained by Fiscal Advisors Auction shall constitute the official time with respect to all bids submitted.

This Notice of Private Competitive Bond Sale was disseminated electronically by posting to [www.fiscaladvisors.com](http://www.fiscaladvisors.com) and [www.FiscalAdvisorsAuction.com](http://www.FiscalAdvisorsAuction.com). This method of distribution of the Notice of Private Competitive Bond Sale is regularly used by the Municipal Advisor for purposes of disseminating notices of sale of new issuances of municipal bonds and notes.

The Bonds may, at the option of the purchaser, be initially issued in registered form as follows: (1) registered in the name of the purchaser or (2) by means of a book-entry system with no physical distribution of bond certificates made to the public in the name of Cede & Co., as nominee of The Depository Trust Company, Jersey City, New Jersey (“DTC”) as securities depository for the Bonds. If the Bonds are registered in the name of Cede & Co., ownership interests in the Bonds will be transferred pursuant to the “Book-Entry-Only System” of DTC. Principal and interest on the Bonds will be

payable by check or draft mailed by the Issuer to DTC, or to its nominee, Cede & Co., as the registered owner of the Bonds. Transfer of principal and interest to participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Issuer will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. Principal and interest will be payable in lawful money of the United States of America. The Bonds may not be converted into coupon bonds or be registered to bearer. The Bonds will be issued in denominations of \$5,000 each or any integral multiple thereof for any single maturity.

The Bonds will be fully registered and will be valid and legally binding general obligations of the Issuer, all the taxable real property within which will be subject to the levy of ad valorem taxes to pay the Bonds and interest thereon, without limitation as to rate or amount, subject to the applicable provisions of Chapter 97 of the Laws of 2011 of New York for payment of principal and interest on the Bonds.

The Bonds are not subject to redemption prior to maturity.

The State Constitution requires the Issuer to pledge its faith and credit for the payment of the principal of the Bonds and the interest thereon and to make annual appropriations for the amount required for the payment of such interest and the redemption of the Bonds. The State Constitution also provides that if at any time the appropriating authorities fail to make the required appropriations for the annual debt service on the Bonds and certain other obligations of the Issuer, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied for such purposes; also that the fiscal officer of the Issuer may be required to set apart and apply such revenues as aforesaid at the suit of any holder of such obligations.

Each bid must be for all of the Bonds and may state different rates of interest for Bonds maturing in different calendar years, provided, however, that (1) only one rate of interest may be bid for Bonds maturing in any one calendar year, (2) rates of interest so bid shall be in ascending progression in order of maturity so that the rate of interest on any single maturity of the Bonds shall not be less than the rate of interest applicable to any prior maturity, and (3) all rates of interest bid must be stated in a multiple of one-eighth or one-hundredth of one per centum per annum. Unless all bids are rejected, the award will be made to the bidder complying with the terms of sale and offering to purchase the Bonds at such rate or rates of interest as will produce the lowest interest cost, computed in accordance with the net interest cost method of calculation, that being the rate or rates of interest which will produce the least interest cost over the life of the Bonds, after accounting for the premium offered, if any. If two or more bidders offer to purchase the Bonds at the same lowest rate of interest, computed as described above, the Bonds will be awarded to the bidder whose bid offers to purchase the Bonds at the highest premium dollar amount. The right is reserved to reject any or all bids, and any bid not complying with this Notice of Private Competitive Bond Sale will be rejected.

A good faith deposit is not required.

The Bonds are issued pursuant to the Constitution and statutes of the State of New York, including, but not limited to, the Local Finance Law, and a bond resolution approved by the Board of Education authorizing the issuance of serial bonds to finance the purchase of transportation vehicles by the Issuer.

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, the purchase of any such insurance policy or the issuance of any such commitment therefor shall be at the sole option and expense of such bidder and any increased costs of issuance of the Bonds resulting by reason of the same shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued, shall not constitute cause for a failure or refusal by the purchaser of the Bonds to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract.

THE ISSUER RESERVES THE RIGHT TO CHANGE THE TIME AND/OR DATE FOR THE OPENING OF BIDS, NOTICE OF ANY SUCH CHANGE SHALL BE PROVIDED NOT LESS THAN 24 HOURS PRIOR TO THE TIME SET FORTH ABOVE FOR THE OPENING OF BIDS BY MEANS OF A SUPPLEMENTAL NOTICE OF PRIVATE COMPETITIVE BOND SALE TO BE TRANSMITTED OVER THE THOMSON MUNICIPAL NEWSWIRE.

In the event that prior to the delivery of the Bonds, the income received by owners thereof from bonds of the same type and character becomes includable in the gross income of such owners for Federal income tax purposes, the successful bidder may, at its election, be relieved of its obligations under the contract to purchase the Bonds.

The Bonds will be delivered at Jersey City, New Jersey, or at such other place as may be agreed with the purchaser on or about October 5, 2023. The purchase price of the Bonds, in accordance with the purchaser's bid, shall be paid IN FEDERAL FUNDS or other funds available for immediate credit on the delivery date in an amount equal to the principal amount of the Bonds, plus the premium, if any, plus accrued interest from the date of the Bonds until the day of delivery.

CUSIP identification numbers will be printed on the Bonds if the purchaser provides Bond Counsel with such numbers by telecopy or any other means of written communication (verbal advice will not be accepted) by 5:00 o'clock P.M. on the date of sale of the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. The Municipal Advisor intends to apply for CUSIP identification numbers in compliance with MSRB Rule G-34, (a)(i) (A)-(H). As is further discussed in Rule G-34, the purchaser, as the "dealer who acquires" the issue, is responsible for the CUSIP Service Bureau charge for the assignment of said numbers, however, all expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the Issuer; provided, however, that the Issuer assumes no responsibility for any CUSIP

Service Bureau charge or other charges that may be imposed for the assignment of such numbers.

The Bonds will be available for inspection by the purchaser at The Depository Trust Company, in Jersey City, New Jersey, not less than 24 hours prior to the time set for the delivery thereof. It shall be the responsibility of the purchaser to verify the CUSIP numbers at such time.

As a condition to the purchaser's obligation to accept delivery of and pay for the Bonds, the purchaser will be furnished, without cost, with the following, dated as of the date of the delivery of and payment for the Bonds: (i) a closing certificate, constituting receipt for the bond proceeds and a signature certificate, which will include a statement that no litigation is pending or, to the knowledge of the signers, threatened affecting the Bonds; (ii) an arbitrage certificate executed on behalf of the Issuer which includes, among other things, covenants, relating to compliance with the Code, with the owners of the Bonds that the Issuer will, among other things, (a) take all actions on its part necessary to cause interest on the Bonds not to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Bonds and investment earnings thereon, making required payments to the Federal government, if any, with regard to the Bonds and any obligations refunded with proceeds of the Bonds, and maintaining books and records in a specified manner where appropriate, and (b) refrain from taking any action which would cause interest on the Bonds to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Bonds and investment earnings thereon on certain specified purposes; and (iii) the unqualified legal opinion as to the validity of the Bonds of Bond, Schoeneck & King, PLLC, Syracuse, New York, Bond Counsel.

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Bonds, is a good faith offer which the bidder believes reflects current market conditions, and is not a "courtesy bid" being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the "issue price" of the Bonds pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirements"). The Municipal Advisor will advise the winning bidder if the Competitive Sale Requirements were met at the same time, it notifies the winning bidder of the award of the Bonds. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.

The winning bidder shall, within one (1) hour after being notified of the award of the Bonds, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Bonds (the "Initial Reoffering Prices") as of the date of the award.

By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public) that if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. *Such election must be made on the bid form submitted by each bidder.*

(1) Hold the Price. The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell to any person any Bonds within a maturity at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least 10 percent of the Bonds of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the 5th business day after the date of the award of the Bonds, and

(c) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Bonds as set forth above.

(2) Follow the Price. The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide the Issuer with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Issuer information regarding the actual prices at which at least 10 percent of the Bonds within each maturity of the Bonds have been sold to the public,

(c) will provide the Issuer with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Bonds, will continue until such date that 10 percent of each maturity of the Bonds has been sold to the public, and

(d) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

If no election is made, then the method shall be assumed to be “follow the price” for each maturity with at least 10% sold on the award date at the Initial Reoffering Price and “hold the price” for all unsold maturities.

For purposes of the “hold the price” or “follow the price” requirement, a “maturity” refers to Bonds that have the same interest rate, credit and payment terms.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Issuer a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Bonds stating the applicable facts as described above. The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Municipal Advisor.

If the winning bidder has purchased the Bonds for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which the purchase of the Bonds was made.

For purposes of this Notice of Private Competitive Bond Sale, the “public” does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Bonds to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Bonds.

There is no Official Statement which accompanies this Notice of Private Competitive Bond Sale. Rule 15c2-12 promulgated by the United States Securities and Exchange Commission does not require the distribution of an offering document in connection with the sale of the municipal securities offered through this Notice of Private Competitive Bond Sale.

The estimated population of the Issuer is 19,239. The average full valuation of real estate subject to taxation by the Issuer is \$2,011,431,132, its debt limit is \$201,143,113 and its total net indebtedness, subject to the debt limit, including the Bonds, is \$43,818,532.

The Issuer will act as Paying Agent for the Bonds. The Issuer’s contact information is as follows: Dr. Peter Smith, Superintendent, Jamesville-DeWitt Central
